Jason I. Miletsky

201 Tips to Start and Build Your Own Business (101) Jason I. Miletsky
Being your own boss and running your own business has long been a core element of the American dream. 201 Tips to Start and Build Your Own Business is for anybody who is seriously considering starting this journey, as well as for seasoned entrepreneurs who are ready to take their company to the next level. It provides a collection of the 201 most important points any entrepreneur should consider when starting and building a business, ripped directly from the author's years of hard work and personal experience as an entrepreneur. The book is broken up into distinct sections, organizing all points by topics. You'll learn to deal with the variety of issues involved with starting and running your own business, including how to lay the foundation of your business, deal with finances, market your company, work with business partners, and find (and manage) the right employees.
