Alpha Contender Boxed Set: BWWM Paranormal shifter romance BBW Terry Bolryder
Misty has few expectations from life. Work, read, sleep. But when she hears from a complete stranger that she's actually a powerful, shape-shifting werewolf, her life changes forever.

Lindon believes he already had his shot at love long ago. And lost it. The tall, blond, sexy shifter is now only trying to keep his promise to his father by protecting Misty as she learns about her new place in the world and seeks to find a future mate.

The only problem: she'll be meeting all of her prospective suitors at one time, and in one place. All TEN of them. All hot, single, alpha males competing for her heart.

Author's note! Alpha Contender was originally released as a four-part serial about one BBW finding out she’s a shifter and trying to choose from the ten hot alpha males trying to win her. All parts are bound here together for the first time in a full set at a special price as a thank you to my fans.
