[(First Responder's Guide to Abnormal Psychology: Applications for Police, Firefighters and Rescue Personnel)] [Author: William I. Dorfman] published on (June, 2007) William I. Dorfman
This book gives readers critical insights into the human impact of extreme trauma, and the various levels of mental impairment suffered by both victims and survivors. Renowned trauma experts William Dorfman and Lenore Walker give this book immediate relevance through the use of real-life examples from a wide range of crisis situations. They have also deliberately minimized research citations within the text for greater readability.
