Alter Wiener

From A Name to A Number: A Holocaust Survivor's Autobiography Alter Wiener
Alter Wiener's father was brutally murdered on September 11, 1939 by the German invaders of Poland. Alter was then a boy of 13. At the age of 15 he was deported to Blechhammer, a Forced Labor Camp for Jews, in Germany. He survived five camps. Upon liberation by the Russian Army on May 9, 1945, Alter weighed 80 lbs as reflected on the book's cover. Alter Wiener is one of the very few Holocaust survivors still living in Portland, Oregon. He moved to Oregon in 2000 and since then he has shared his life story with over 700 audiences (as of June, 2011) in universities, colleges, middle and high schools, Churches, Synagogues, prisons, clubs, etc. He has also been interviewed by radio and TV stations as well as the press. Wiener's autobiography is a testimony to an unfolding tragedy taking place in WWII. Its message illustrates what prejudice may lead to and how tolerance is imperative. This book is not just Wiener's life story but it reveals many responses to his story. Hopefully, it will enable many readers to truly understand such levels of horror and a chance to empathize with the unique plight of the Holocaust victims. In the event you did not have enough space bringing this book you can buy the e-book. You can m0ore simply to read this book through your smart phone. The price is not very costly but this book features high quality.

Andres Edelman:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's

country. Therefore , this From A Name to A Number: A Holocaust Survivor's Autobiography can make you experience more interested to read.
