Loving Angel (Divisa Book 4)

J.L. Weil

Loving Angel (Divisa Book 4) J.L. Weil
Loving Angel isn't easy. Actually, it's downright exhausting, but somehow she weaseled her way into my life. She has become my everything—my reason for existing—my reason for breathing. I love the ever-loving crap out of Angel Eyes. There is nothing I wouldn't endure for her—even college.

College. Ugh.

I hope the frat boys, the jocks, and the nerds are prepared for what is about to embark on their school this fall. Half-demons. Hunters. And um, the Keystone? Yeah, that is going to take getting used to.

We aren't exactly your average freshman. And somehow I find myself stuck with a bunch of troublesome females to look after. Angel. Emma. Lexi. Pretty sure I got the raw end of the stick.

But that isn't the worst of it. There is someone lurking in the shadows—spying and stalking my girlfriend. He is a dead man. How many people am I going to have to kill for this girl? A better question would be how many people wouldn't I kill for her?

As many as it took.

Angel is about to experience betrayal of the worst kind. And this time, it's not entirely my fault—shocker.

Recommended for ages 16+ due to language and sexual content

You can m0ore simply to read this book from the smart phone. The price is not to fund but this book has high quality.

Christopher Hendrick:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Loving Angel (Divisa Book 4) can make you sense more interested to read.
