The Lonely Sorceress - Part 1 of Fate's Fables: One Girl's Journey Through 8 Unfortunate Fairy Tales
T. Rae Mitchell
Reality sucks. Make-believe rocks. That's been Fate Floyd's motto for as long as she's been a fantasy geek. But now she can hardly tell what's real and what's not. She's been spelled and mysteriously trapped within a deadly fairy tale world bound by the Book of Fables. Her only way home is to travel through the book's 8 unfortunate fairy tales and change them into happily-ever-afters. And if dealing with scheming sorceresses, greedy goblins and heartless faeries isn't enough to test her sanity, there's Finn. The Scottish boy who looks like he stepped straight out of her dreams. Fate wants to believe in her own happy ending, but the reality is, her road to freedom isn't straight and danger lurks around every bend.

The Lonely Sorceress *is the first unfortunate fairy tale in the Book of Fables.* Fate and Finn find themselves on an island full of magical creatures, where they hatch a plan to play cupid to give the sorceress a happy ending. But all the while, Fate wonders why Finn is so familiar. The closer she comes to the truth, the more she denies it. What is she afraid of?

PLEASE NOTE: This title is **Part 1 of 8** and is meant to be read in sequence.

Perfect for fans of Off The Page, Unenchanted, and The Mermaid's Sister.

Genre: Young Adult Fantasy
