Jennifer Johnson Is Sick of Being Single: A Novel Heather McElhatton

> A wicked comedy about the perils of making your dreams come true

Quirky, clever, cubicle-bound Jennifer Johnson is desperate. Everyone around her is getting married, while she's still single and stuck writing ad copy about men's dress socks.

Her life hits crisis level, launching her into a humiliating and painfully hilarious quest to find Prince Charming at any cost. This includes agonizing online dates, diet-clinic cults, drag-queen fights, and a debilitating addiction to Cinnabon icing. When she meets handsome, wealthy Brad Keller, she wonders if he's the answer to all her dreams, or is he just too good to be true?

Darkly funny and outrageously honest, McElhatton's wit shines in this no-holds-barred cautionary tale about getting what you want—and how it can be the worst thing for you.
