Revenge (Beyond Darkness Book 3) Iris Deorre
Detective Gates won’t let up, but that doesn’t sway London. She’s more in love with her bad guy than she’s ever been. And Victor proves his love for her over and over. But things aren’t as simple. Victor and London want to live their lives in peace, but there are still a few people who won’t let them just yet.

Once more Victor has to be the monster who will get rid of the bad guys. And once more he proves just how great of a man he really is even if the detective won’t admit to it. To judge without the full story wasn’t a good move on the detective’s part, but he’ll soon find out just how important Victor really is, not just to London, but to him as well.
