From SE Gilchrist comes the next big thing: The Starburst Rock Band – coming to a galaxy near you…

The first long-range star voyager will soon depart the Seven Galaxies on its quest to find Earth. Desperately in love with a Darkon warrior who appears oblivious to her existence, Elise has reserved a cabin. But before she leaves, she has one more thing she wants to do: bring some fun and light into the countless lives that have known only war. And if it gives her one last chance to try and win her warrior's heart? Well, so much the better.

Commander Magar understands duty, and that the world might not be as safe as everyone hopes. Under the cover of providing security for the new rock band, Magar has orders to search for a renegade Elite captain – one who has no intention of coming quietly. But the close quarters with Elise, the woman who holds his heart – and the hearts of his daughters, makes keeping his mind on work increasingly difficult.

He may not be worthy of her heart, but that doesn't stop him from craving it, along with her body and soul.
