Book 1: Warren Buffett: Top 10 Life Rules From Warren Buffett For Unlimited Success And Prosperity

Many books have claimed it many times before, but this book is about success. Not just the success that Warren Buffet has attained, but the same success that me and you can attain if we would just follow these 10 basic life rules that Mr. Buffet has tested out for himself over decades of successful business investment. Straight from the mouth of the financial guru himself these were the ten rules that he lived by the entire time of his meteoric rise to success.

As well as highlighting these basic principles that Buffet has come to live by, this book is also serves as a biography of sorts following the life of this business and investing tycoon, gathering the testimony of the wealth as well as success that this man has single handedly accumulated through the years. Giving you a ring-side seat as Buffet Demonstrates his own ideas, principles and theories in action. This book takes you right through the meager beginnings as a Newspaper Boy and Pin Ball entrepreneur multiplying his money through neighbors and barbershops to his massive future investments in American Express, GEICO, and even his philanthropic efforts for the Bill and Melinda Gates foundation.

This book runs the gamut of Warren Buffet’s rise and continued persistence in as multiplying his money. This book outlines a man’s life that epitomized the American dream of molding and shaping a destiny with

your own bare hands. Warren took his big ideas and wrapped them around the most meager of beginnings to create an empire. It is a story that should be inspirational to us all, because Warren Buffet's story of success is our own story as well.

Book 2: Warren Buffett: To Be Rich And Successful Is Easy! Top-20 Life Changing Lessons From Warren Buffett If You Need An Inspiration.

It is no secret that we all would like to be rich. Many of us feel that if we had a little bit more money (or a lot more money, depending on the person) then all of our worries would be over.
In that line of thinking, we wouldn't have to worry about where we live, what we are going to eat, or what we are going to wear. It really does feel like to many of us that if we had enough money, we wouldn't have an issue with anything.

While this is definitely a stretch, there is some truth to it. Money can't fix all of your problems, but it can really make a lot of things better in your life, and who doesn't want that?
Warren Buffett was a man who understands money. He is one of the most successful people alive today, and is on the list of the wealthiest people alive. This man knew how to handle stocks, and he knew how to handle money, and even though he was ridiculed and ignored at the time, he now is on top of his game.
