Can you solve the case called "Happy Deathday to You"? Here's the scenario: It is the 50th birthday party of billionaire businessman Ronald Stump and no expense has been spared. His penthouse abode high above New Metro in the Stump Tower is packed to the hilt with both lavish decorations and celebrity guests. Stump's background is checkered to say the least. He seems to have his fingers in everything that is happening in New Metro—and with power and prestige come resentment and revenge. It's no secret that he's been able to make or break the careers of many people. And, he's made many enemies over the years. As the party unfolds, the guests drink toasts and enjoy the view of the large metropolis that spreads out before their eyes. The assembled group of revelers represents a dream team of the rich and famous, all "friends" and acquaintances of Stump who presides like a king over the festivities. Finally, the moment arrives to wheel in the large birthday cake and sing a jubilant chorus of "Happy Birthday to You" to the stoic honored guest. He listens to the musical tribute, inhales a deep breath and blows out the candles on the culinary masterpiece. Suddenly, a loud explosion rocks the room. When the smoke clears, Stump is lying on the floor motionless. Paramedics are called who arrive too late. Stump is dead. Who would dare to turn a birthday bash into a deathday dirge? And, what motive would the killer have to do away with the financial fanatic? Only keen investigative skills and an eye for the unexpected will provide the answers. Here are the suspects . . . - Elena Stump - Stump's Romanian trophy wife and former Miss Galaxy. - Wolfpack Ruck - World-renowned chef whose pastry is a favorite of Ronald Stump. - T. Bone Perkins - Billionaire energy tycoon who's spent a fortune on developing new ways to generate power. - Polly Darken - Country and western singer with humble beginnings that have led to fame and wealth. - Willomena Sorrens - Tennis player and spokeswoman for an international brand of health food. - Garibaldi Roody - The mayor of New Metro who has "connections" that can help persuade people to take his point of view. - Zack Muckenburg - Young Internet entrepreneur whose website, Faceshow.Info, has become a force in cyberspace. - Tris Makinmoney - Professional poker player with a bad temper and a reputation for intimidating his opponents. - Michele Millions - Fitness guru to the rich and famous whose revolutionary workouts have made her "millions." - Nora Rabbitt - Gossip columnist for The New Metro Inquisitor who knows all the scandals and where all the dirt is hidden. _____ This complete Murder Mystery Party Kit from Mysteries on the Net contains everything you need to host your own event at home or in a large facility.
