The BDSM lifestyle is more overwhelming than Cheyenne could have ever imagined. Between lengthy contracts, strict rules, strange commands, and harsh punishments, she doesn't know whether she's coming or going. Keeping Damien Reed requires Cheyenne to learn it all and to accept her role as his submissive. Accepting something so foreign to her nature is easier said than done though. Will she be able to bend to the will of her mentoring Dominant, or will she crumble under the pressure of his intense training?
