If I Only Knew...

Gigi Scott

If I Only Knew... Gigi Scott
If I Only Knew . . . Four words to describe the premise of life! Life’s twists, turns, and navigation through bumpy roads could be avoided if only we knew that . . . If I Only Knew is the story of three generations, all female, all Jewish, spanning over three continents. From the late 1800s to present-day 2012, Gigi's story will take you through an emotional journey by way of a time capsule of some sort. This autobiography covers the story of a Jewish mother (born in Slovakia, July 4, 1920), who served in the British military, and unbeknown to her, was used by the British to work as a spy. If she only knew . . . Would she have made different choices? If she only knew that escaping the Nazi regime and serving time in the military in Egypt would save her from subsequent years of oppression under the communist regime—would she have made the ill-fated decision to return to Slovakia post-World War II? If Gigi's mother only knew that the note left under her door could lead her to a bridge that was blown up minutes later, would she have followed the path her lover tried to lead her on? If Gigi's mother only knew that the decisions she made would affect Gigi's life and bring upon her abuse, incest, betrayal of love and country, would she have made the same decisions? At thirteen, Gigi made the decision to escape the newly Russian-occupied Slovakia to the country she thought would be her saving grace—Israel. Instead of a place of refuge, the Jewish state that was supposed to protect Gigi ended up being one of the biggest betrayals of her life (one of many). If Gigi only knew that getting on the plane that fateful day would lead her to experience a different kind of holocaust, a personal one, would she have gotten on that plane? If Gigi only knew that her choice in husbands would land her in an insane asylum, cause her to attempt to leave this world, contact the FBI to protect her life, use an assumed name, and ultimately, inflict so much pain on her daughter, would she have married these men? In short, Gigi believes in destiny. She believe that the travails we experience are purposeful. Gigi believes that we are exactly where we are today, because it is what is meant to be. So, despite it all, the answer to the proverbial question of if I only knew, would I? Yes, Gigi would do it exactly as she had! Mistakes, pain, and all. It is all happenstance. Part of our journey through life. It is what you do with these life lessons that matter. It is Gigi’s hope that her story of survival will embolden you to take control of any part of your life you feel is out of balance, no matter if it is financial, emotional or mental.

From reader reviews:

William Vogt:

Have you spare time for just a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a stroll, shopping, or went to the actual Mall. How about open or even read a book allowed If I Only Knew...? Maybe it is to get best activity for you. You realize beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with it is opinion or you have different opinion?

Dennis Johnson:

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love If I Only Knew..., you are able to enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.

Jennifer Vickery:

In this time globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. Typically the book that recommended for you is If I Only Knew... this guide consist a lot of the information of the condition of this world now. That book was represented how can the world has grown up. The dialect styles that writer value to explain it is easy to understand. Often the writer made some study when he makes this book. Here is why this book suitable all of you.

Carolyn Lutz:

What is your hobby? Have you heard that will question when you got pupils? We believe that that query was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person such as reading or as reading through become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You find good news or update in relation to something by book. Different categories of books that can you go onto be your object. One of them is niagra If I Only Knew....
