Charley agreed to share an apartment with her older brother of course she knew he would throw over the top parties. She knew he would be late on rent a few times, and he might not even pay once and a while. She even knew the chances of him bringing some idiotic girls over were high, but she over looked one thing she should have thought was obvious.

Her brother's friends would constantly be stopping by and nagging her. She was a lonely girl, in a small space, full of boys. Her brother and she had just moved here, and she could already see how their apartment was going to be overrun by guys. Charley didn't find herself liking too many girls. They made it hard for her to make friends with. Most of them felt fake to her.

They would pretend to have a best friend, and then they would talk terribly about their supposed best friend. What was the point? And there was the fact of drama. She went out on a fake date with a cute guy called Gabriel in order to prove a point to William who was a cute charmer and Justin's best friend.
