And Then I Had Kids: Encouragement for Mothers of Young Children Susan Alexander Yates
Susan Alexander Yates is an author who has truly "been there." When her twin daughters were born, they joined siblings ages two, four, and seven. Through the challenges of raising those five young children, Susan realized the need for an honest, practical book that helps parents through that time of life.
This new edition of the best-selling *And Then I Had Kids* contains guidance for dealing with common struggles such as discipline, priorities, and fatigue. Susan is honest about the frustrations of parenting, yet encourages parents through her own experiences. She offers a biblical perspective on family life, inspiring mothers (and fathers!) to create a loving atmosphere, find good role models, and shape a Christian home.
