Blue Chicken Deborah Freedman
In this deceptively simple picture book, author-illustrator Deborah Freedman has created an irresistible character that springs to life and wreaks havoc in a farmyard with a pot of blue paint. The innocent chicken just wants to help, but things get worse and worse-and bluer and bluer--the more she tries. Playing with colors and perspective, and using minimal text, this richly layered story reveals new things to see and laugh about with each reading.
