Movie Lists: 397 Ways to Pick a DVD

Paul Simpson

Movie Lists: 397 Ways to Pick a DVD Paul Simpson
Action, African greats, alcohol, Robert Aldrich, aliens, Woody Allen, Pedro Almodovar, Robert Altman, animated, anime, apocalypses, Argentina, art, Asia minor, avant garde...

And that's just A for you. A taste of this fabulously quirky and enjoyable book which is both a celebration of movies - and movie trivia - and a handy, entertaining guide to films that we know you will enjoy. It is fantastically functional. The lists are well conceived and easy to understand - mostly assembled by genre, actor, director, theme or country of origin - and the reviews are witty and informative. Oddly enough, most movie guides are not full of recommendations. But Movie Lists is, in spades, leaving readers in no doubt that the films reviewed are the business.

Oh - and you don't have to watch them all before you die. There is no premise of death in this book. You just need to get down to the local Blockbusters or flick your remote to Movies on Demand. Only the popcorn is not supplied.
