Reverend Bill Blunden

Offshoring IT: The Good, the Bad, and the Ugly Reverend Bill Blunden

Reverend Bill Blunden tells all: who's going offshore, who's helping them do it, and why. In addition to presenting the pro-globalization stance of corporate America, Reverend Blunden gives voice to dissenting opinions that have largely been ignored by the media. This book offers an enlightening, detailed analysis of the offshore outsourcing phenomenon, and exposes the underlying core values of America's economic and political system.

Blunden has been directly affected by offshoring, and writes from the programmer's point of view—for the programmer. While Blunden is passionate about the topic, he and the editor ensure that this book presents both sides of the issue, and appeals to all readers.

Table of Contents

1. Setting the Stage
2. Measuring the Trend
3. The Offshoring Obstacle Course
4. Arguments in Favor of Offshoring
5. Arguments Against Offshoring
