Chloe on the Beach (Cuckolding in Public for Graeme): A Sexy Wife Erotica Story Karla Sweet
Chloe had been so certain that Graeme would spend the whole vacation at the nudist resort wanting to sleep with the naked women he saw, so it's pretty damned surprising that she's the one who actually goes too far. She can't help it. She becomes fascinated with another guest, a very well-endowed guest. She finds herself drawn to experimentation she would have believed far, far beyond her boundaries.
She cheats.
She gets caught.
And she discovers that her husband likes it.

Warning: This ebook contains very explicit descriptions of sexual activity and includes public sex, cuckolding, oral sex, semen swallowing, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

This man didn't have a penis. He had a fucking firehose. The damn thing was soft but it hung down almost three quarters of the way to his knee. It had to be more than a foot long erect. It was flaccid and already thicker in circumference than Graeme when he was hard.
And Graeme had a good sized cock!
She was both grateful and bitterly disappointed when Graeme guided her toward the beach and her eyes moved away from the man. My God! That cock! It was the craziest thing in the world. She'd imagined Graeme being bigger during her fantasy sessions but making Graeme bigger really meant making him big enough to be the biggest guy in a porn movie. She'd once watched a gangbang video with Graeme, right after they got married when she wanted to ensure the spice never disappeared. Graeme wouldn't have been embarrassed to have been among those men though he would have been among the three of six men who were smaller than the others. Her imaginations had only made him as big as the biggest. That porn star would have appeared lacking child compared to the guy she'd just seen.
Her pussy sent pulses of desire through her and that really didn't make any sense at all. There was no way in hell she'd ever let that monster inside of her. The very thought terrified her. Jesus. It was… it was impossible. They got to the edge of the beach next to a slight rise and Graeme took the blanket, setting it so it was partially covered by the shade of an acacia tree. As he set it up, she noticed Graeme's cock was hard as hell. The arousal clearly came from the sight of the all the naked women on the beach, and she didn't feel jealousy as much as she felt intense relief. She didn't necessarily have moral authority but at least she sure as hell didn't have to feel any guilt about the image of that man's enormous prick refusing to leave her head.
"What the hell, Graeme?" She said. "I suppose you're going to try to tell me it's the sight of me in my bikini doing that?"
