If music be the food of crime

Marie Helene Visconti

If music be the food of crime Marie Helene Visconti
Isolde, 16, is intern in a symphonic orchestra to improve her culture. On her second work day, the big mess begins ... A crime story full of humor and unexpected twists and turns set in the strange microcosm of orchestra musicians. An inquiry which rambles from Maigret, to Facebook, via a modern version of the adventurous four, Zola, Rouletabille and Einstein and a love story like a roller-coaster. Cultural clashes: Generation Y against Mozart, gift of the gab against erudition, province against Paris, teens versus parents. On becoming an adult or not, on being an artist and on transmission.
