Inspiring Anecdotes J.M. Mehta
Millions of people are born in this world. Most of them are soon forgotten while some others leave their footprints in the sands of time for posterity. Such people –leaders, philosophers, scientists, saints and holy men –are a fountain of inspiration. Their teachings, and even certain incidents from their lives serve as a beacon light that illuminates the way for generations that follow.

This book contains over a 100 thought-provoking anecdotes gleaned from the lives of various great people. They impart instant lessons of life generally not found in school or college textbooks. They leave a deep impression upon the mind and appeal to one's sense of ethics.

A well-documented book, it makes excellent reading for everyone. Children of impressionable age will get to learn basic values in a fun way.
