MANAGEMENT: MEETING AND EXCEEDING CUSTOMER EXPECTATIONS, Tenth Edition is a comprehensive survey of the principles and practices of management as they are currently being applied in the United States and around the world. The content and features are structured to reinforce two continuing themes that are woven into the chapters' narratives: (1) the never-ending effort by managers and organizations to meet or exceed customers' needs and (2) the need organizations and their people have to be guided by effective leadership. An underlying theme of this edition is Enterprise 2.0, meaning the use of social media in business.

From reader reviews:

Joyce Coolidge:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite e-book and reading a e-book. Beside you can solve your condition; you can add your knowledge by the reserve entitled Management. Try to make book Management as your good friend. It means that it can to get your friend when you experience alone and beside that of course make you smarter than in the past. Yeah, it is very fortuned for you personally. The book makes you much more confidence because you can know everything by the book. So , let me make new experience in addition to knowledge with this book.

Jeff Wheeler:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Management, you may enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Jennifer Bedard:

You can spend your free time to learn this book this guide. This Management is simple to bring you can read it in the area, in the beach, train and also soon. If you did not get much space to bring the particular printed book, you can buy typically the e-book. It is make you better to read it. You can save often the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Danielle Hawkins:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Management can make you experience more interested to read.
