A Woman Scorned: The Shocking Real-Life Case of Billionairess Killer Susan Cummings (St. Martin's True Crime Library) Lisa Pulitzer
Rich, beautiful, deadly...

Billionairess Susan Cummings was very rich, even by the exalted standards of Virginia horse country. Shy and single, she used just two rooms of her huge mansion and slept with a .357 Magnum under her pillow. Some people called her haughty. Others said she was strangely obsessive, eccentric, and emotionless, with a strong distrust of people.

Her lover, Roberto, an Argentinian polo player with an eye for wealthy women, was undoubtedly handsome and possessive...and he was also cheating on her. But police, answering a mysterious 911 call, saw him only as a bullet-riddled corpse. Telling of escalating abuse, Susan displayed the blood running freely from knife wounds on her arm, and said she shot him in self-defense. Yet police had their doubts: claiming that Roberto had been dead so long, the pool of *his* blood looked like sticky red Jell-O...

Now, in a harrowing true tale of secrets, obsession and betrayal, top crime writer Lisa Pulitzer reveals the uncensored truth about a privileged world where ordinary rules don't apply...where a shocking crime rattled the sprawling playground of the wealthy elite...and where money can buy *almost* everything...

With eight pages of startling photos!
