Effective Classroom Management -- The Essentials

Tracey Garrett

Effective Classroom Management -- The Essentials Tracey Garrett
This user-friendly resource will help K--12 teachers become more effective classroom managers. Tracey Garrett provides a new perspective that has been well received by thousands of preservice, novice, and veteran teachers. Each chapter of the book concentrates on a key area (physical design, rules and routines, relationships, engaging instruction, and discipline) and focuses on the importance of that particular area in relation to a teacher's overall classroom management plan. Examples of specific techniques and strategies are presented through three classroom teachers, each representing a different grade level. In addition, four students share their beliefs and experiences related to the different aspects of classroom management and provide unique insight into the lived experience of students in real classrooms in a variety of contexts, including urban and suburban schools. *Effective Classroom Management* is a concise guide designed to prevent problems that require active discipline before they arise. Book features include classroom examples, case studies, and study questions. There is also an app, Classroom Management Essentials, available from the itunes store featuring videos of the author and other teachers discussing classroom management strategies and experiences addressed in the book.

From reader reviews:

Alex Thayer:

What do you consider book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't wish do that. You must know how great in addition to important the book Effective Classroom Management -- The Essentials. All type of book would you see on many sources. You can look for the internet solutions or other social media.

Laura Hargis:

What do you regarding book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? All people has many questions above. They must answer that question mainly because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this Effective Classroom Management -- The Essentials to read.

Nancy Deanda:

This book untitled Effective Classroom Management -- The Essentials to be one of several books this best seller in this year, honestly, that is because when you read this guide you can get a lot of benefit onto it. You will easily to buy this kind of book in the book store or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Mobile phone. So there is no reason for you to past this book from your list.

Dwight Bailey:

This Effective Classroom Management -- The Essentials is great reserve for you because the content which is full of information for you who also always deal with world and possess to make decision every minute. This book reveal it information accurately using great organize word or we can state no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with beautiful delivering sentences. Having Effective Classroom Management -- The Essentials in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world with ten or fifteen small right but this reserve already do that. So , it is good reading book. Hello Mr. and Mrs. stressful do you still doubt that?
