Exploring Philosophy of Religion: An Introductory Anthology

Steven M. Cahn

Exploring Philosophy of Religion: An Introductory Anthology Steven M. Cahn
In this remarkably accessible, concise, and engaging introduction to the philosophy of religion, Steven M. Cahn brings together a rich and balanced collection of sixty-six classic and contemporary readings. This unique anthology features a clear, well-organized structure and careful editing of many articles in order to sharpen their focus and make them understandable to students with little or no background in philosophy. The book also reflects the importance of women's contributions to the field; 40% of the contemporary readings are by women. In addition, topics often minimized in other collections are covered in more depth here, including forgiveness and love; ritual, prayer, and worship; gender; speaking of God; and the afterlife.
