If it Bleeds, it Leads (An Avery Shaw Mystery Book 2)

Amanda M. Lee

If it Bleeds, it Leads (An Avery Shaw Mystery Book 2) Amanda M. Lee
Local news reporter Avery Shaw’s week is going from bad to worse.
It’s bad enough there’s a dead body in the parking lot of the paper, but when the investigation into the death leads to drugs – and a tie to her own family – things continue to spiral downward.
If she could focus on that, though, it would just be another normal week. Constant run-ins with both the men in her life – neither of whom seems to be showing her the level of respect she feels she deserves – are making things more stressful than they need to be.
Avery is going to get the story – even if it means taking down her own cousin. Surviving to file that story, though, that’s a whole other problem altogether.

Warning: This book is snarky and sarcastic. Read only if you're not easily offended -- and you like to laugh.
This is the second book in the Avery Shaw Mystery series.
