Lord! Why Me? is a non-fiction book about the life of a woman that endured numerous challenges. As she traveled through life she met three men whom she fell in love with, married and later divorced.

Each man would be different in height, size and stature, yet they were the same individual in behavior. They did not know the meaning to the word commitment especially in a relationship, which shattered her heart. Each man had his own agenda, an agenda that would include having an extramarital affair.

Coming from a broken home, and being raped three times by the age of twelve, she began looking for love in all the wrong places. After her second marriage, she thought she had met Mr. Right. In her heart he was her "knight in shining armor" But when all was said and done, Mr. Right turned out to be the biggest fraud of all the lovers she had.

He showered her with gifts, splendid vacations, beautiful jewelry, numerous cars, and purchased many houses just to cover up his in-ability to be faithful. Mr. Right was living a double life and she found herself caught up in several love triangles.

Caught in a web of lies, she turned to prayer in an effort to find relief from the emotional booby trap.
