Matthew Bender Practice Guide: California Trust Litigation, a one-volume practice guide, provides detailed, practical, up-to-date, and authoritative information on litigating disputes arising out of the creation and operation of trusts in California. Key topics include:

- Proceedings attacking the validity and/or existence of a trust (trust contests).
- Disputes involving the ownership of trust property.
- Petitions for instructions relating to the operation of a trust.
- Compelling a trust accounting.
- Suits involving claims of breach of duty or malfeasance by the trustee.
- Removal of a trustee.
- Related matters such as financial abuse of an elder or dependent adult by a trustee, case evaluation, ethical issues, the recovery of trustee and attorney's fees in litigation, and the mediation and settlement of trust disputes.

Trust litigation can be a highly lucrative field for California attorneys. However, it presents unique issues and procedures that set it apart from other types of general civil litigation, and presents many pitfalls for the unwary and inexperienced.
