One Day His (Someday Series) (Volume 2) Melanie Shawn
After finding each other and falling in love in Someday Girl, Cat and Jace’s incredible love story continues in One Day His. When the beautiful and sheltered Cat Nichols left her life in Malibu for a fresh start at college, she had no idea she would meet and fall in love with sexy former Marine Jace Butler. After confronting his difficult past together, the loving couple had hoped that the worst was behind them. But when a family emergency calls Cat back home, they will both soon realize that their newfound love is once again going to be put to the test. This time, Cat will come to face to face with the one person who, instead of loving her unconditionally, lives to darken her world, just to make their own shine brighter. Will Cat and Jace have the strength and courage to face their deepest, darkest fears when they are challenged in ways neither of them could have imagined? Or will outside forces tear them apart once and for all? You can’t choose the one you love, but you can fight like hell to protect them. Author’s note: One Day His is book 2 in the Someday Series. This trilogy was intended to be read in the following order: Someday Girl (Someday Series, Book #1) One Day His (Someday Series, Book #2) Forever Us (Someday Series, Book #3)
