Principles and Methods of Adapted Physical Education and Recreation with Activities Booklet & PowerWeb Bind-in Card David Auxter, Jean Pyfer, Carol Huettig
As the only book in the adapted physical education market to provide both task-specific and developmental teaching approaches, this text gives physical educators the up-to-date knowledge and skills to teach students at all levels. Aligned with the national movement to include most students with disabilities into the general curriculum, the text enables both adapted and regular physical education teachers to successfully address the needs of students with disabilities in the regular physical education class.
