Two worlds collide when the corruption and crime from one of Mexico's most violent cartels spreads over the border. Private investigator Catherine James is on the case, but when the evidence begins pointing to a violent drug gang and the cartel puts out a hit on our heroine, she turns to the only man she knows she can trust . . . her former flame Matt, a war veteran with whom Catherine shares a complicated past.

Meanwhile, Yesenia Flores is a young, adventurous woman from Mexico who seeks a better life across the border. But no sooner does she set out on her trek than she becomes entangled in a web of violence and crime. Escaping the cartel's clutches but a witness to a murder, Yesenia is running for her life.

North and South, their stories run parallel until their dramatic collision and conclusion.
