Would you kill someone to save yourself? Jessie Doyle, a twenty-three-year-old college graduate, never believed she would until she became trapped in her own life-threatening dilemma. From the moment they met, Luke Rogers knew he'd one day possess Jessie's soul. He set out and accomplished just that. Blinded by love, Jessie was tangled tighter in his web of deceit. After months of psychological and physical abuse, being held captive by the threat he'd kill her if she ever left him, and the loss of her unborn child at the hands of his assault, Jessie devised a desperate plan to escape. Convinced Luke would kill her, Jessie realized the only way she'd ever be free would be to kill himfirst. Finally, he was dead. But who really killed Luke Rogers? Consumed with guilt, Jessie left the horrors of her hometown. When she took a job in northern Vermont, she thought she was leaving her old life behind. But someone followed her who believes he knows the truth. Accident or not, Jessie must have played some part in killing Luke. And she should suffer for thatin fact, she should die. To save herself, Jessie must uncover the stalker's identity. But what will she do when she knows? She has to protect the secret and keep herself from being murdered in the process.
