Just a Small-Town Girl

Brenda Cook

Just a Small-Town Girl Brenda Cook
This is the story of a young girl growing up in a small New Jersey town on the banks of the Delaware River. Brooke and her friends bring the summer of 1984 to life; dealing with romance, friendships, teenage angst and good times. All this takes place against the backdrop of the culture and music of the era. A great coming-of-age story that will take you back in time to the carefree days of your youth, and expose you to a different place in time. That special time early in life when music and friendships didn’t just mean something, they meant everything.
