The Bailey School soccer team hasn't had a lot of success, but their new coach seems like the woman to help whip them into shape. Coach Graves is a little rough around the edges, but she's good at what she does. That is until a strange old lady turns up at one of their practices. After that, Coach Graves has a vacant look in her eyes, mumbles and groans in response to the kids, and moves like she's back from the dead. Can the kids break the spell and bring their coach back to normal in time for their big game?
