Helmut Newton: World without Men
Let the ladies shine: From Newton's formative years to his rise to the top

Taken between the mid 1960s and early 1980s, this selection of Newton fashion editorials—one of the first books he ever published—is accompanied by journal entry-style texts by Newton providing anecdotes and describing the circumstances of each shoot. On every page is evidence of Newton‘s groundbreaking vision that transformed fashion photography—an influence that can still be seen today in the pages of the greatest fashion magazines.
