From the creators of the nationally syndicated public television shows *Biz Kid$* and *Bill Nye the Science Guy*, HOW TO TURN $100 INTO $1,000,000 is a comprehensive first guidebook to earning, saving, and investing money. Written in a humorous but informative voice that engages young readers, it's the book that every parent who wants to raise financially savvy and unspoiled children should buy for their kids. It is packed with lively illustrations that make difficult concepts easy to understand—all as a way of building financial literacy, good money decision-making, and the appreciation of a hard-earned dollar.

Here is how to get into a Million-Dollar Mind-set (*millionaires are people who save money, not people who spend it*). How to set financial goals and create working budgets. Five ways to earn your first $100, and how to find a job or build a successful business to earn a steady income. Plus where to put your money to make it grow even more (hint: not your sock drawer). How to choose a bank or credit union; harnessing the power of compound interest—i.e., how to make money without lifting a finger; and investing 101.
