As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important in
