# In Pursuit of Silence: Listening for Meaning in a World of Noise

*George Prochnik*

**In Pursuit of Silence: Listening for Meaning in a World of Noise** George Prochnik

A brilliant, far-reaching exploration of the frontiers of noise and silence, and the growing war between them.

Between iPods, music-blasting restaurants, earsplitting sports stadiums, and endless air and road traffic, the place for quiet in our lives grows smaller by the day. *In Pursuit of Silence* gives context to our increasingly desperate sense that noise pollution is, in a very real way, an environmental catastrophe. Traveling across the country and meeting and listening to a host of incredible characters, including doctors, neuroscientists, acoustical engineers, monks, activists, educators, marketers, and aggrieved citizens, George Prochnik examines why we began to be so loud as a society, and what it is that gets lost when we can no longer find quiet.
