Observing Rielle (Awakening Rielle Book 2) Crystal Cierlak
The allure of virgin blood is Death’s sweetest song, calling to The Immortal in the form of the human virgin now in his possession - Rielle. Consummation of her purity would ensure her death and hasten the end of his own life, but sustaining her may prove to be even more difficult, especially when a chance encounter with another like herself reveals the truth of the fate she’s traded herself for.

Meanwhile, another world away, Dr. Rupert Lewis has failed to keep a watchful eye on a comatose patient who has mysteriously disappeared - setting off a chain of events he could not possibly foresee - and now must surrender his fate to the mysterious man who is in possession of that which he sold long ago: his soul.

OBSERVING RIELLE is part two of the AWAKENING RIELLE, a 10-part series of short stories that compose one larger narrative.
Part One: Awakening Rielle
