Drew is back from a three month backpacking trip, when her mother tells her that she has found the love of her life and they will soon be married. Drew is shocked, but happy for her mom. After meeting Charles, she is even more certain that he is just perfect for her. Everything was not perfect though and when she met her soon-to-be-stepbrother, Drew was having a lot of mixed emotions. Lars on the other hand was not so confused. When faced with something that he wanted, the billionaire's son was used to getting what he wanted. After a few minutes with the smart-talking Drew, he knew that she was one of those things. When she wouldn't fall to her knees like all of the other women he had known, Lars had to resort to a tactic that he usually reserved for takeovers, dirty tricks. Will she cave when faced with humiliation or will Lars never know what it is like to be with his stepsister?
