The Bible Tells Me So (Studies in Abundant Living, Volume 1) Victor Paul Wierwille
Preface The Bible Tells Me So is organized into four parts. "Freedom From Bondage," "What We Believe = What We Are," "Physical and Spiritual Wholeness" and "The Word in Our Minds." Within each part are chapters, each chapter having been researched and originally written as an individual study. By loosely grouping the studies into general topics, a person can get a broader perspective as the parts fit together to make up the larger whole. However, because the chapters were written as individual studies and then put into topical units, occasionally a reader may find that all facets of the topic are not covered; however, they have been covered in other research writings. I know the contents of Volume I of Studies in Abundant Living will not only open up more of God's Word for you, but will also uplift you - mentally and physically and spiritually. Let us put God's Word in our hearts and minds for it alone can give us complete deliverance from the darkness of this world.
