Tinkermage: GnomeSaga, Book 2 Kenny Soward

The enemy exposed.

Nikselpik Nur has become the city of Hightower's staunchest - albeit unwilling - ally. He's hardly learned to cope with his debilitating bugging addiction, much less take on the duties of being the city's First Wizard. Can he embrace this new path? And will he? Meanwhile Stena Wavebreaker is pulled from her seafaring duties by the Precisor General and given command of a raggedy airship to scout the ultraworldly enemy from the perilous skies above the Southern Reaches. Her mission: gain the support of the unpredictable "swamp elves", the Giyipcias. Lastly, Niksabella Nur has set off from Hightower at the behest of the grim stonekin leader, Jontuk. The gnomestress must unlock the full potential of her invention, the recursive mirror, and her own powers to bear what might be the heaviest burden of all. What will she discover along the way? And will Jontuk be able to keep her alive long enough to save them all? This is GnomeSaga book two.
