My husband and I have been selling successfully at our local flea market and I started compiling names of wholesale companies. Finding USA based wholesale was not easy at first. It was important to us to have fast USA access for delivery purposes and also in case we wanted to call and ask questions. If you are re-selling on eBay or at the flea market you need it NOW not in 6-8 weeks. The people in this directory are right here in the USA and ready to fill your wholesale order. The directory is divided in categories and there is also a pretty large general section. All in all- I think there is practically everything from A to Z available at wholesale prices. I wish you the very best with your wholesale project!
