Natan Last

Word.: 144 Crossword Puzzles That Prove It's Hip to be Square Natan Last
Created by Natan Last, a senior at Brown University, three-time intern with Will Shortz, and in 2008 the youngest person to have a puzzle published in the Sunday *New York Times*, *Word* kicks the crossword puzzle squarely into the 21st century for a new generation of puzzle-lovers, replacing fusty crossword-ese with hip cultural references, modern wordplay, and a lively mix of high-and low-brow pop trivia. A *Word* puzzle begins with the shared knowledge of a literate but not-so-reverent generation, and celebrates the knowingness with a deft touch. Your parents' crosswords make solvers feel smart. *Word* puzzles make solvers feel smart *and* cool, getting the references to *The Daily Show*, Mario Brothers, the Goo Goo Dolls, and a hefty dose of nostalgia (the name of the motel in *Psycho*). But they also know the core curriculum: Charlotte Bronte's Jane, Roman generals, Berlioz and von Bismarck, Homer—and not just Homer Simpson.

The puzzles are constructed with all the smarts of a daily *Times* crossword: themes, interconnected clues, titles that unlock the overall puzzle (solve all the clues and the circle letters will spell out a famous name at Hogwarts). Assisting Mr. Last is a group of five more top "under 25" constructors, all of whom have published puzzles in *The New York Times*.
