The Art Student's Guide to the Proportions of the Human Form (Paperback) - Common By (author) Dr Tom Richardson
This guide to the proportions of the human form is a reformatted reproduction of the famous but hard to find work by Johann Gottfried Shadow. It includes images of plates engraved by John Sutcliffe from the English translation, and images of the original German plates. The original was a huge book, each plate was 24" by 19" for this version the large plates were photographed to reproduce them on a...
