The Book of Wisdom

The Book of Wisdom
While no other text can claim this same unique authority, Apocryphal and Pseudepigraphal literature such as contained in the first volume of The Researchers Library of Ancient Texts (Volume One—The Apocrypha: Includes the Books of Enoch, Jasher, and Jubilees; also available on Kindle), provides literature that often precedes or follows the chronology of biblical texts, which frequently are used or assigned as supplemental works within academic settings to help students and scholars discover or better understand cultural and historical context within the Word of God. Whether or not the information contained in the apocryphal literature is entirely precise—as is the canon of Scripture—these ancient texts provide commentators' valuable insight into what many ancient Jews and early Christians believed when, "God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets" (Heb. 1:1).

"The Book of Wisdom, often referred to simply as Wisdom or the Book of the Wisdom of Solomon, is one of the deuterocanonical books of the Bible. It is one of the seven Sapiential or wisdom books of the Septuagint Old Testament. There are found in the Book of Wisdom and other books of the wisdom literature to Wisdom as a personification with divine attributes. These have long been taken by Christian exegetes as references to Christ, who is called the wisdom of God by Paul the Apostle." --Wikipedia

The Book of Wisdom is available in The Researchers Library of Ancient Texts (Volume One—The Apocrypha: Includes the Books of Enoch, Jasher, and Jubilees; also available on Kindle), as well as The Book of Enoch, The Book of Jasher, The Book of Jubilees, 1 Esdras, 2 Esdras, 1 Maccabees, 2 Maccabees, Tobias, Judith, Sirach, Baruch, Susanna, Prayer of Azariah, Prayer of Manasseh, Bel and the Dragon, and Laodiceans.
