Business Social Responsibility: CSR for SMEs Sana Khan

CSR, as a concept, applies to all organisations, regardless of size, location and sector. Many organisations would like to implement CSR but are unsure where and how to start. This eBook aims to assist organisations, regardless of their size or the resources available to them, to start developing CSR initiatives. In particular, this eBook is designed to help small and medium-sized businesses (SMEs) to implement their own CSR initiatives or, as I prefer to call it in this context, ‘Business Social Responsibility’ (BSR) – hence the title.The purposes of this eBook are: to highlight how organisations, regardless of size or the resources available to them, can be socially-responsible; to explain how they can create a BSR initiative; to explain how to evaluate that initiative; and to suggest potential BSR ideas that your organisation can implement.

From reader reviews:

Virginia Mack:

The book Business Social Responsibility: CSR for SMEs make you feel enjoy for your spare time. You can utilize to make your capable more increase. Book can being your best friend when you getting anxiety or having big problem using your subject. If you can make examining a book Business Social Responsibility: CSR for SMEs for being your habit, you can get more advantages, like add your current capable, increase your knowledge about a number of or all subjects. You can know everything if you like start and read a guide Business Social Responsibility: CSR for SMEs. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other folks. So , how do you think about this publication?

Anna Thompson:

Spent a free a chance to be fun activity to complete! A lot of people spent their spare time with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Might be reading a book might be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the reserve untitled Business Social Responsibility: CSR for SMEs can be fine book to read. May be it could be best activity to you.

Barbara Fontenot:

Your reading sixth sense will not betray anyone, why because this Business Social Responsibility: CSR for SMEs book written by well-known writer who knows well how to make book which can be understand by anyone who all read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own personal hunger then you still uncertainty Business Social Responsibility: CSR for SMEs as good book not simply by the cover but also by the content. This is one book that can break don't ascertain book by its cover, so do you still needing yet another sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

Jeffrey Martinez:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Business Social Responsibility: CSR for SMEs can make you experience more interested to read.
