Night Watch Mary Montague Sikes
What has Lily "walked" into...? From the moment Lily's plane lands in tropical Trinidad, things go awry. She planned for rest, relaxation and photography, but instead faces mistaken identity, a gun running operation and danger. Her transportation to her lodging does a no show, and she is mistaken for someone named Katherine by Kyle Warren. Putting the unsettling feelings of her trip and recent deaths of her parents behind her, Lily enjoys the ocean view from her room only to see the familiar figure of the man from the airport-he is watching men stealthily unloading cargo from a small boat. Over the next few days, Lily's resemblance to another puts her in danger and Kyle's attempts to protect her further complicate the uncanny memories and feelings that she may indeed know him from the past. With her life in peril, Lily discovers a deep kinship with her doppelganger and a growing attachment to Kyle. Mistaken identity, a tropical setting, mysterious goings-on, romance, and a touch of the supernatural are the winning ingredients in Night Watch by Mary Montague-Sikes.
