113 Odd Thoughts For The Day (That may or may not help you) Chi Chou Tsoi
113 Odd Thoughts For The Day, is just that. A book that has 113 odd thoughts. Nothing more, and nothing less.

These thoughts range from the musings on Buddha and his famous (or is that infamous?) belly, to encouraging sayings and thoughts that should pick you up, or at the very least cause you to make that “hmm” noise you can’t help but do when you don’t agree with something…

It also contains thoughts on why men may entertain “b!tches” and women fraternise with “a$$holes”, and why a broken heart may be akin to eating a buffet.

It even has thoughts on what your future social networking site may look like in the future and why you should never procrastinate.

If you like to read quickly, you may (or may not) like this book.

If you want to tell people that you have read a book this week to seem a bit more refined and cultured, you may (or may not) like the length of this book!

If you are hankering for some humour, wish for some motivation, and just crave for some general randomness in your brain and life, then you too, may (or may not) like the contents of this book.

113 Odd Thoughts For the Day is fun, funny, and may change our life.

Oh and it’s pretty short too, so you can be done with it within an hour or so and you can get back to doing whatever you really like to do in your free time.

Be prepared for some odd, random, entertaining, maybe interesting, and sometimes even motivational thoughts.

P.S To the people who have already purchased my book, I would just like to say.... a BIG THANK YOU!

There have only been a handful... (and by a handful I literally mean less than 5) but really THANK YOU, I really appreciate it!

I hope you had fun reading it, please tell your friends and share your new found (ahem) "thoughts"!

If not then... please tell your friends the book was great anyway, however don't share it or make them read it as they may hate you for it...

Thank you anyway! :-)
