Blood Eagle Tortures (CRYPT) Andrew Hammond

The fourth entry in a series that's a fantastic blend of teenage spies, horror, and ghost-busting

On the remote coast of Suffolk an amateur diver uncovers an unusual artefact while exploring the lost town of Dunwich, now submerged a mile from shore. Within hours his boat is robbed and the burglar is found mutilated on the beach, in a way reminiscent of a Viking ritual killing. Can the CRYPT agents decipher the clues and figure out what might have been disturbed on the seabed before more lives are lost?
